THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

Any person witnessing some form of criminal action or other emergency should report it to a department manager. **New Professions Technical Institute, Inc.** *does not offer on-campus Student Housing facilities, nor has non-campus property other than the building it is located in, and it owns no public property.* The Director of Education shall investigate any incident and report it to the local police department, if necessary. Additionally, the Director of Education will write up an incident report regarding the action taken.

All facilities are locked during non-business hours. During non-business hours only authorized personnel are permitted on the premises. Our building is monitored by a twenty four hour alarm company.

The school does not employ private security personnel. Therefore, all incidents of a criminal nature or emergency are reported to the local police.

During orientation and other student gatherings as well as staff meetings, students and employees are informed about the importance of secured premises. Students and employees are encouraged to group together when walking to their automobile or to public transportation.

During orientation, student gatherings and staff meetings, students and employees are reminded that they can assist in crime prevention by ensuring that all doors are locked and that they report any suspicious situation to a department manager.
