\*Attendance to the Live Review is mandatory to qualify for the Exit Exam.

\*\* The ATI Live Review is designed to align with the latest NCLEX test plan. Its primary focus is to help students prepare effectively for the NCLEX examination. Following the review, students receive access to supplementary ATI resources, which they can use to enhance their study efforts as they further prepare for the NCLEX.

### **What is ATI NCLEX Live Review?**

1. Preparation for NCLEX success.
2. Instructor-led synchronous review of nursing content aligned with the NCLEX test plan.

### **Why use ATI NCLEX Live Review?**

1. Achieve high NCLEX pass rates as compared to the national average.
2. Boost student confidence.
3. Increase individual student awareness of content deficits.

### **What are the benefits of an ATI Live Review?**

1. Statistical outcomes support high pass rates for students who attend all days of the live review, actively engage with the educator, and maintain ongoing preparation following the ATI recommended study plan.
2. Instruction by an expert NCLEX specialist nurse educator
3. Promotion of student engagement, discussion, and identification of areas of mastery and content in need of additional review.
4. Application of strategies to build student confidence and ability to correctly answer questions in the NCLEX format.
5. Question types in the review align with all NCLEX item formats, including NextGen items.
6. Presentation of the ATI Live Review via webinar is available and provides flexibility with scheduling (no need for a classroom) and promotes individualized student engagement through private chat features and live polling.

### **What is included in the ATI NCLEX Live Review product?**

1. Interactive review session with an expert nurse educator.
2. Copy of The Comprehensive NCLEX PN Review or The Comprehensive NCLEX RN Review book (includes content, learning activities and an additional 160 practice questions with rationales).
3. Review and application of test-taking strategies on NCLEX-style questions.
4. Plan for continued study and review using an individualized study plan.

### **How is ATI NCLEX Live Review integrated into my academic course?**

1. Any time during the final semester or shortly after graduation.
2. Planned in partnership with ATI NCLEX Services Manager.
3. Attendance is mandatory.
